Many families are interested in the Turtle Island Preserve Camp Scholarship Program. We assist as many families as possible each year. We serve families who are able to commit to the dates of camp, fill out the application and forms and snail mail them back to the Turtle Island office as soon as possible – so your request can be promptly added to the scholarship fund.

By sending in your camper's documents, and a deposit of \$100 – a space will be reserved for your camper. If you can estimate how much of the \$750 per week you can cover, and how much in scholarship you are requesting, we can estimate and assign funds towards your family's request more quickly. We also offer \$50 discounts to all registrations received before December 31<sup>st</sup>.

Families requesting financial assistance are asked to include a letter describing your camper and a bit about your family's need for scholarship funds. We like to hear how you think this camp will positively impact your child's life. A note from a coach, teacher or mentor in your child's life, who can speak to his or her character, is a great addition. Our donors love to hear a little bit about the campers they help.

They say that every bit counts, so please encourage your friends and family members to watch a short video about our camp fund:

Please let us know if you have any specific questions. We are thrilled at the prospect of sharing this special place and unique program with you and yours. To get started please submit following:

1. Summer Camp Application Packet
2. Scholarship Application
3. Email or Letter of intent/ intro to your child

As soon we receive your forms we will be in touch to discuss specific details. Thanks again for your interest, involvement and support.

Thanks again. We look forward to hearing from you!
