Turtle Island Preserve Inc. - Scholarship Application

(Please fill out a new form for every child that you wish to request a camp scholarship for)

Completing this form is the first step toward ensuring that your camper will be joining us for the best camp experience of a lifetime! It is designed to help us determine how much assistance is needed to attend camp this summer. Because of the diverse makeup of Turtle Island Preserve, we have a limited amount of scholarships and would appreciate as many families paying the full price as possible. However, this is a once in a lifetime opportunity that we don't want anyone to miss out on! We have had many families raise the majority of their camp cost through their own fundraising efforts. If you have any questions, please contact us via email or by using the contact info above. Our scholarship funds are allocated on a first-come-first served basis. Families with the ability to send in required paperwork quickly are given top priority.
